

CONSERVATION COMMISSION MEETING
FEBRUARY 25, 2012

PRESENT: Bob Boynton, Chairman, David McTigue, Jack Messe, Dixie Rhoads, Doug Waitt, Matthew Oliveira, Joanne Meshna

PUBLIC: Liz Freeman

The meeting was called to order at 9:00 a.m. at the Town Office. Bob distributed the agenda for the meeting. The meeting was held to vote on whether or not the Conservation Commission should post certain information on the Commission's web site related to wind power.

Liz distributed information on the amendment to the Zoning Ordinance that the Planning Board is proposing including an explanation of the proposed changes.

At the conclusion of the discussion Doug made a motion that the Conservation Commission post information on the web site relative to wind power. It is not the intent of the Commission to indicate a bias with this list of links. We encourage the public to gather more information on wind energy. Matt seconded the motion and it passed unanimously.

The meeting adjourned at 10:00 a.m.

Respectfully submitted,

Joanne Meshna, Secretary
