RP advised that the video was sent to her by a friend living in California. The video depicted an unknown white male between the ages of 16 and 20 years old. The male was making racial comment about minorities while holding a rifle. At some point in the video the male discharges that rifle while making racist comment. I asked the RP if she recognized the male in the video, or if anyone else identified him to her. RP told me that she did not know the male nor did the person that sent her the video. I asked the RP if she knew where the male lives or where the video was taken. RP advised that she had no idea where or when the video was taken.  Based on this limited information NIPD is unable to investigate this activity and asked the RP to try and gather more info.  Incident #: Dispatcher: 7094
