Eric called to seek advice on towing an oversized parade float from Simonds Road in Ashby, into New Ipswich for a parade that he is participating in on June 11, 2017. Eric wants to tow the float north on Simonds Road, crossing the state line in to New Ipswich on Ashby Road, north to the intersection of Ashburnham Road. Then left (south) on to Ashburnham Road back in to Ashby, MA. Eric asked for permission to tow the 18-foot wide trailer on these roads in New Ipswich. I informed Eric that some of the roads in his route are state roads and that he needed to follow all traffic laws as it pertains to oversized vehicles on the road. I suggested to Eric that he call NH-DOT to seek additional advice and guidance on his request. The maximum vehicle width in NH is 8'6", Eric vehicle is nearly 10 feet wider than permitted.
