The RP described the dog as a black and white Pitbull. The dog was reported to have chased the RP while she was traveling in her car on Poor Farm Road by Oak Hollow Lane. The RP advised that the dog was barking and growling at her car as she drove past, and the dog followed her all the way past Wilson Hill Road. The RP advised this was not the first time she has had an encounter with this same dog. The RP advised that about a month ago while walking her dog on Poor Farm Road this same dog exited Oak Hollow Road and aggressively advanced on her and her dog, while growling and acting aggressive. The RP advised that she was even walking on the opposite side of the road than Oak Hollow Lane. The RP reported that the dog lives with its owner on Oak Hollow Lane; the first house on the right. She thought the owner might be named Mary. NIPD conducted a record check and discovered a black & white Pitbull registered to 21 Oak Hollow Lane. NIPD contacted the dog owner and advised her of the complaint and the laws about animal control and dogs running at large. The dog owner was advised that future violations would result in a violation being issued. The dog owner advised that she would keep a better eye on her dog and keep him in the yard. NIPD made a return phone call to the RP and advised her of NIPD's finding and the outcome. The RP thanked NIPD for its service. Incident #: Dispatcher: 7094
