I explained their options and then ran a record on the vehicle. This had to be done using the VIN as the vehicle did not have any license plates attached to it. The vehicle was a 2006 blue Volkswagen sedan. The vehicle was negative with NCIC. I observed a pay stub in the vehicle and the name on the stub was a person I knew from prior police contact. I called this person and advised of the call from RE/MAX and suggested that he call them ASAP to avoid having his vehicle towed. I told this person that the vehicle did not appear to be registered and would have to be registered prior to driving on the road. I then called RE/MAX and advised them the owner of the vehicle had been contacted and instructed to call RE/MAX so a conversation could be had about the vehicle and what they wanted done with it.
