Address: 129 MAIN ST Location: 129 MAIN ST	ASSIST - Assisted as Needed Ava came into the lobby to inquire about her May 20 complaint of a suspicious vehicle. I looked into it and explained that it was considered police information and no further action had been taken. Ava expressed her displeasure with our department and stated she used to live in Amherst and never felt unprotected. I explained our manpower problems and advised her things would probably get worse before they get better. She told me her husband died last year. I suggested she take her security into her own hands by preparing and training to protect herself as it would empower her instead of relying on 911. Ava left with a more positive attitude than she had when she arrived. Incident #: Dispatcher: 4370
