The RP stated that it sounded physical. NIPD responded and did not hear any disturbance upon arrival. I made contact with Mandi Maloney, who stated that they just got home and no disturbance was happening in her house. She walked in to the adjacent apartment and saw that everyone was sleeping. Mandi stated that the noise could have been from her daughter and boyfriend who were upstairs. I asked to speak with them. I spoke with the daughter and boyfriend, who were both happy and upbeat. I asked the daughter if any disturbance or physical altercation took place. She stated no, we were playing with the dog's upstairs. She stated that she was "play fighting" with her boyfriend and the dog to get the dog worked up. I did not observe any injuries or any signs of a domestic disturbance. I went and talked to the RP and advised her the same. Clear.
