

Cemetery Trustees
Minutes of Meeting
May 16, 2016

Members present: Michelle Pelletier, David Keurulainen, George Lawrence, Ollie Niemi)
Called to order at 5:41pm

No response yet from letter sent to Attorney General in April 2016.

Kim leaving in 1-2 months. Ollie will be retired before end of year. Might have an interested person from Ashby, MA. Need to place an ad in the paper and on the town's website if he falls through. Ollie will draw up a job description that paints an accurate picture of what the job entails. Sexton can also be laborer so perhaps one person is all we need.

Brush Pile in Center picked can be picked up by David K. before Sunday.

Gibson plot doesn't have enough perpetual care to repair fence in Center Cemetery. Total of perpetual care can be consolidated to make repairs on various things in all three cemeteries. Needs to be prioritized.

Center Cemetery needs drainage if we are ever to use that area for new burials. Roughly estimated at \$12K. Could this be an article on next year or the following year's town vote?

Bids still need to be collected to cut trees in both Center and Old cemeteries.

Meeting was adjourned at 6:35pm.
